

DocuPrint C3290 FS

Colour Multifunction Printer

Affordable Business Class
Performance

DocuPrint C3290 FS Colour Multifunction Printer

Vastly improve office efficiency. Fast, beautiful output and great productivity features make the compact new DocuPrint C3290 FS the best choice for small-to medium-size offices and workgroups that demand top performance at an affordable price.

Accelerate office operations

The DocuPrint C3290 FS seamlessly integrates your most common office devices into one speedy and easily networkable unit that vastly improves office efficiency.

- **Simultaneous operations** Eliminate waiting for machine access. The DocuPrint C3290 FS allows you to copy, fax or scan while other jobs are printing.
- **Fast output** Print and copy at up to 20 ppm colour and 30 ppm monochrome thanks to the 400 MHz processor and standard 256 MB of RAM.
- **Fast input** Easily process long, multi-page documents with the 50-sheet ADF. Use it for copying, scanning and faxing documents up to legal-size.
- **Uninterrupted printing** The standard 400-sheet paper capacity keeps your office humming by reducing paper changes. Paper capacity can be expanded to 950 sheets with the optional paper feeder.
- **Quick and easy maintenance** Single front door access makes it a snap to replace consumables and perform maintenance. This convenient design also reduces the space needed for installation.
- **Efficient document distribution** Scan a document once, then distribute it to multiple recipients. Further speed up document workflow with the Direct Fax and Scan to E-mail functions.
- **Great software and network compatibility** PCL5e and PostScript 3 drivers for Windows and Macintosh assure fast printing of complex, graphics-heavy documents from nearly any application. The built-in 10Base-T/100Base-TX interface provides simple connectivity to office LANs and additional USB 2.0 and parallel interfaces allow direct connections to PCs.

Brilliant, vivid colour output

Give your reports and presentations a more professional look. Cutting edge Fuji Xerox technology guarantees consistently beautiful documents for any business use.

- **Exceptionally bright colours** The DocuPrint C3290 FS uses environmentally-friendly Emulsion Aggregate-High Grade (EA-HG) toner which is markedly different from conventional grinded toners. EA-HG toner particles are chemically produced and exhibit greater uniformity in shape and size than conventional toners. The end result is printouts that exhibit finer line detail, higher overall image quality and more consistent toner coverage.
- **Sharper text and images** Fuji Xerox's own Direct Transfer Imaging System improves colour registration for crisp, sharp printouts. Machine maintenance is also reduced since there are less moving parts inside the printer engine that can fail.

Smoother, more efficient document workflow

Improve the document flow in your office and speed work with intelligent functions such as Direct Fax, Scan to FTP/SMB, Scan to E-mail and SimpleMonitor. Find out more about Fuji Xerox's DocuWorks 6.2 document management software that helps you manage and access documents more easily than ever before.

- **Direct Fax** Send faxes directly from a PC without the need for additional software. Direct Fax is accessed via the printer driver making faxing quick and easy.
- **Network Scanning** Scan and send documents directly to FTP servers and SMB servers without using a PC. For faster operation, you can store server addresses in the printer's address book.
- **Scan to E-mail** Scan and send documents by e-mail directly from the DocuPrint C3290 FS without using a PC.
- **Remote Printer Monitoring** The included SimpleMonitor software automatically displays printer and print job status. This saves time since you don't have to walk to the printer to check the status of print jobs.

DocuPrint C3290 FS Quick Facts

- Print up to 30 ppm
- 600 x 600 dpi
- 400 MHz processor
- 60,000 images/month duty cycle
- 400 sheets capacity, expandable to 950 sheets

WxDxH:
460 x 520 x 730 mm

More than just another four-function device. A complete office productivity solution.

Incorporating functions and top-level specifications normally found on devices costing much more, the DocuPrint C3290 FS provides you with a number of specialised features to simplify difficult and time-consuming tasks.

PRINT

- **Printer configuration.** The built-in CentreWare Internet Services (IS) utility provides a convenient way to check printer status and configure settings via a web browser.
- **Secure print.** Secure Print allows a print job to be temporarily stored in the printer and can only be printed out after the appropriate user authentication is entered at the control panel.

- **Booklet print.** Produce booklets using this function in conjunction with the built-in duplex printing capability.
- **Proof print.** Check the first copy of a multi-copy print job, pausing printing of the remaining copies until after you have proofed the first.

COPY

- **Poster copying.** Enlarge and copy a document onto several sheets of media, then assemble the sheets to produce a poster.
- **ID Card copy.** Reduce and copy multiple images of a document onto one piece of paper.

SCAN

- **High-resolution colour scanning.** Scan a colour document quickly and easily at up to 36 ipm and 600 x 600 dpi optical (9600 dpi enhanced) resolution.
- **Scan Lock.** Control access to the scanner by requiring a password entered at the control panel.
- **Scan to a distribution list.** Scan a document once then distribute it to many recipients as hard copy, e-mail or as a file on a network server.

FAX

- **Junk fax.** Eliminate reception of junk faxes by setting the fax to receive faxes only from persons listed in the address book.
- **Fax Lock.** Control access to the fax by requiring a password entered at the control panel.
- **Delay fax.** Scan and store documents in the memory, then schedule the documents to be faxed at a specified time. This is useful for reducing communication costs by taking advantage of lower off-peak hours telecom rates.

Flexible and reliable paper handling

- 1 The 150-sheet bypass tray (standard) handles up to 216 gsm cover stock.
- 2 The 250-sheet tray (standard) allows you to add a full ream of paper.
- 3 550-sheet feeder with cabinet. to boost paper capacity to 950 sheets.
- 4 50-sheet ADF for fast copy, scan and fax up to legal size.
- 5 250-sheet output tray.

DocuPrint C3290 FS Printer Configuration

- 400 sheets capacity
- Ethernet and USB connectivity
- Built-in duplex

Options

- 550-sheet feeder with cabinet
- Network expansion card
- Memory upgrade

Specifications of DocuPrint C3290 FS

Print Function

Print speed (A4)	Up to 20 ppm colour/30 ppm monochrome
Monthly Duty Cycle	60,000 images/month
Paper Handling	
Input Capacity	Standard: 400 sheets Maximum: 950 sheets
Output Capacity	250 sheets, face down
Two-sided Output	Built in duplex printing
Print Technology	Colour Laser
Resolution	600 x 600 dpi; 9600 x 600 dpi (enhanced)
First Page Out Time	17 sec. colour/16 sec. monochrome
Print Language	PCL5c/6, Adobe® PostScript 3
Processor	MIPS 400 MHz + ARM Twin CPU (ARM9 150 MHz x2)
Memory (Std/Max)	256 MB/768 MB
Connectivity	Ethernet (100BASE-TX/10BASE-T), USB 2.0, Parallel
Print Features	Secure Print, Proof Print, Booklet Creation, Poster Printing, N-Up Printing, Watermarks, Overlays
Printer Management/Utilities	CentreWare Internet Services, SimpleMonitor

Copy Function

Resolution	Up to 600 x 600 dpi
First Copy Out Time	25 sec. colour/13 sec. monochrome
Reduce/Enlarge	25 - 400 %
Multi-copy	1 - 99 pages
Copy Features	N-up Copying, ID Card Copy, Clone, Poster, Collation, Auto-Fit

Scan Function

Resolution	600 x 600 dpi (optical); 9600 dpi (interpolated)
Scanner Type	Colour Flatbed CCD
Depth	Up to 48-bit/RGB (Colour); 32-bit odd/even (Greyscale)
Max Document Size	Legal 14" (ADF), A4 (flatbed)
Scan Destinations	Scan to PC, Scan to Email, Scan to FTP/SMB
File Type	BMP, TIFF, JPEG, PDF, XDW

Fax Function

Fax Speed	33.6 Kbps (Super G3)
Transmission Speed	3 seconds/page (monochrome)
Page Memory	Up to 100 jobs or 700 pages
Fax Resolution	Up to 400 x 400 dpi (monochrome), 200 x 200 dpi (colour)
Fax Image	Colour transmission; 256 levels
One-touch/Speed Dials	10/200
Fax Features	Colour Fax, Direct Fax, Delay Start, Broadcast Sending, Junk Fax Filter, Group Fax, Secure Receive

Dimensions (W X H X D)	460mm x 520mm x 730mm (with ADF)
Weight	40kg (w/o consumables)
Noise Level	Standby: 31dBA; Printing: 55dBA
Electrical	110-127V ±10%, 50Hz±3Hz/60Hz±3Hz, 9A 220-240V ±10%, 50Hz±3Hz/60Hz±3Hz, 9A
Power Consumption:	Average Printing:464W, Standby:108W, Sleep:35W or less
Warranty	One year on-site warranty

Consumables

Black Print Cartridge (up to 8,000 pages)	CT350567
Cyan Print Cartridge (up to 6,000 pages)	CT350568
Magenta Print Cartridge (up to 6,000 pages)	CT350569
Yellow Print Cartridge (up to 6,000 pages)	CT350570
220V Fuser Unit (up to 100,000 pages)	EL300637
110V Fuser Unit (up to 100,000 pages)	EL300636
Belt Unit (up to 100,000 pages)	EL300635

Accessories

550-sheet feeder with cabinet	E3100029
Network Expansion Card	E3100030
256 MB Memory	EL300634
512 MB Memory	EL300633

Approximate capacity for 5 % coverage on A4 size paper

DocuPrint 3290 FS is delivered with 3,000 page Black toner and 2,000 page colour toner

Descriptions in this material, product specifications and/or appearances are subject to change without prior notice due to improvements. Please note that the product colour appears differently from the actual colour as a result of properties of papers or printing ink. Windows and Windows NT are registered trademarks of Microsoft Corporation. Macintosh and Mac OS are trademarks of Apple Computer, Inc. HP-GL is a registered trademark of Hewlett-Packard Company.
